shiwang21sanger@gmail.com
Delhi-NCR

Summary

Eager and dynamic Computer Science graduate from Satyug Darshan Institute of Engineering and Technology, Faridabad, with a foundational understanding of React, HTML, Node.js, Python, and JavaScript. Proficient in web development and eager to leverage skills in a practical setting. Fluent in English and Hindi, ready to contribute to innovative projects and continue professional development.

Projects

- Apr 2024 **Employee Management Web App (Admin Side)**
to Apr 2024 I developed an Admin Side Employee Management Web App, using MERN stack and Tailwind CSS, which simplifies employee management. With easy-to-use features, you can easily add or remove employees and departments, log in, log out, authenticate, and update your admin or employee profile. It's designed for smooth operation, real-time updates, and seamless integration, making workforce management a breeze.
- Feb 2024 **Akhbar - The News Web App**
to Feb 2024 I developed Akhbar, a go-to news web app developed by React.js, Tailwind CSS, and a comprehensive API. With Akhbar, you can effortlessly search for news on any topic and access complete articles with just a click. Stay informed and explore the latest updates with ease, all in one convenient platform.
